

Genesis Reading Guide
Senior English
Mr. Thomas

Purpose of Assignment:

The chart below is called a Dialectical Journal, meaning a journal which raises questions.

During our Antiquity Unit, we will be reading about Archetypes, Worldviews, and Overcoming the Monster. This journal will be the start of that journey. I don't expect you to connect all the dots, but, slowly, as we discuss these big issues, some of the details will start to make sense. As they make sense, I hope you will begin reading, hearing, and watching stories (biblical stories, television shows, movie lines) differently.
